'The Club of Rome describes itself as "an organisation of individuals who share a common concern for the future of humanity and strive to make a difference. Our mission is to promote understanding of the global challenges facing humanity and to propose solutions through scientific analysis, communication and advocacy." [1] Founded in 1968 at Accademia dei Lincei in Rome, Italy, the Club of Rome consists of current and former heads of state, UN bureaucrats, high-level politicians and government officials, diplomats, scientists, economists, and business leaders from around the globe. [2] It stimulated considerable public attention in 1972 with the first report to the Club of Rome, The Limits to Growth. Since 1 July 2008 the organization has been based in Winterthur, Switzerland.'

To: abusive, high treasonous Humanity's Trust—mining corporate **INSEADEAD SLAVERY OF HUMANITY** by ROMAN USURPER SLAVE MASTERS is done in many ultra vires ways, by force consciousness intervention; conscience reduction; human energy draining and harvesting and deception and torture and murder!

The Club of Rome was founded in April 1968 by Aurelio Peccei, an Italian industrialist, and Alexander King, a Scottish scientist. It was formed when a small international group of people from the fields of academia, civil society, diplomacy, and industry met at Villa Farnesina in Rome, hence the name.[3] Founded 1968 Aurelio Peccei, **David Rockefeller** and Alexander King Co- Presidents: Anders Wijkman and Ernst Ulrich von Weizsäcker Secretary General: Graeme Maxton. https://en.wikipedia.org/wiki/Club_of_Rome

The Club of Rome is heavily involved in **Reality Simulation** and **Consent Engineering Industries** who invent, engineer and define **presumed problems** first, such as 'global warming' and 'limited growth' in order to 'solve' these problems and then access and dissipate public governmental funds, that weren't theirs in the first place! These funds belong to HUMANITY'S HEIR / Inhabitants and in these funds LIMITLESS liquid capital compounds which these private societies, associations and clubs are all after !! These private oligarch usurper member associations, **siphon** Humanity's Heritage TRUSTS and ASSETS and WEALTH, to their private secret undisclosed domains as can be seen here: their site is only accessible through a log in screen! <http://www.clubofrome.org/>

HOWEVER THERE IS NO SUCH THING AS LIMITED GROWTH, SCARCITY and DEBT. Also there is no reason at all, why one should sell LOANS to the HEIR/Inhabitants who are entitled to their OWN Post Born Trust Inheritance! other than they are being LOOTED !

'The Club of Rome consists of current and former heads of state, UN bureaucrats, high-level politicians and government officials, diplomats, scientists, economists, and business leaders from around the globe.' - https://en.wikipedia.org/wiki/Club_of_Rome

The Club has national associations in 35 countries and territories.[16] The mission of the national associations is to spread the ideas and vision in their respective countries, to offer solutions and to lobby for a more sustainable and just economy in their nations, and to support the international secretariat of the Club with the organization of events, such as the annual general assembly. **Affiliated members of The Club of Rome** are all involved in the same looting, degrading and damaging HEIR/Inhabitant birth right TRUSTS and ASSETS—MLM process churches and Level Marketing businesses, throughout the world, such as: **GAIA Finite World NET Earth**, <https://ourfiniteworld.com/2007/04/22/our-world-is-finite-is-this-a-problem/> **DOTERRA** <https://www.doterra.com> **GEO ENGINEERED DISASTERS** <http://news.trust.org/> The **Finite World**—paradigm is a LIE to enslave and oppress the HEIR / Inhabitants so to LOOT their individual birth right Trust Inheritance. **Ascension AURORA Earth is ETERNAL and has INFINITE RESOURCES !!
